<Features of SV-PLA Series>

- Size, overall length, and main body length of each model will adopt a unified shape (design).
- Each size has 120° x 3 holes for set screws as standard.
- Customer will be possible to customize the application depending on their needs by using the standard screws (set screw x2, lock screw x1) that will be packed together with the products .

If you have any questions about the discontinuation of the above products, please do not hesitate to contact your sales representative for more details.

Thank you for your patronage, and we appreciate your continuous support of our company.

Sincerely,

K-takahashi
